INTRODUCTION TO CONTINUATION EDUCATION

Continuation education, first initiated in 1919, is a high school diploma program designed for students whose needs are not being met in comprehensive high schools. California's 509 continuation high schools serve more than 69,000 students 16 years and older who lack sufficient school credits and are at risk of not graduating. They focus on school-to-career education, individualized instructional strategies, intensive guidance and counseling, and flexible school schedules to meet student needs.

Hare High School is fully accredited by the Western Association of Schools and Colleges (WASC), receiving a 6-year term of accreditation from the WASC Visiting Committee in the spring of 2016. In addition to being fully accredited, Hare earned the Model Continuation High School 3-year term award in 2016 and in 2019. What makes Hare stand out above the rest is the positive teacher-student relationships that are established, small class sizes, effective instruction, and most importantly a caring and supportive learning environment where there are high expectations for all students and the genuine belief that all students can achieve.

All students at Hare are enrolled in five academic/elective classes. This provides students with the opportunity to earn up to 25 credits per quarter, with a total of 100 credits per academic year. The opportunity to earn a total of 100 credits will allow students who have fallen behind to catch up and return to their home high schools or graduate from Hare High School. **For 2020-21 and while operating under COVID-19 restrictions, Hare will temporarily change the schedule to a 6 period day with the opportunity to recover up to 30 credits per quarter.**

In order for a student to return to his or her home high school, the following conditions must be met:

1. The student must have completed the appropriate number of credits to be on pace for graduation.
2. The student must be in good standing (in regards to academics, attendance, and behavior) at the time in which student is being considered to return.
3. The student must have the endorsement of the Hare High School administration.

Students meeting these conditions may only return to their home schools at the onset of the first or second semester.

ATTENDANCE

Absences

If a student is going to be absent, **you must call the school *each morning of the absence(s)***. Your student is **required** to bring a note to the attendance office (located in the administration building) upon their return. Excessive absences (excused or unexcused) may result in parent conferences, School Attendance Review Board (SARB) hearings and/ or transfer to an appropriate alternative educational program.

Excused: Any absence due to illness, doctor's appointment, funeral of an immediate family member, quarantine by county or city health officer, court appearance (with evidence of appearance), religious holiday or ceremony, or incarceration or custody.

Unexcused: Any other reason for absence given out by you or your student's legal guardian that is not mentioned above. EX: Family emergency, death of pet or extended family member (i.e. cousin), family reunion, car trouble, missing the bus, and/or vacation.

Students who forge or have others than you or your student's legal guardians attempt to excuse absences can result disciplinary actions, which could result in referral to ACCESS or Adult Education.

Parents who give false information about a student's attendance can lead to legal ramifications.

Excused absences for extended medical reasons require a note from the doctor or medical facility. All special medical excuses must be cleared by the site administration.

Parent Portal

You can receive information on accessing Parent Portal through our attendance clerk or ask any of Hare's Community Liaisons. Parents are expected to utilize this service in order to keep up with their student's most current grades and attendance.

Tardy Policy

A tardy is defined as a student not being in the classroom when the bell rings. The campus and student body of Hare is small, and the four-minute passing period is more than adequate for your student to be on time to class. If your student is late to school or class, they are to report directly to their classroom. ***During distance learning, student attendance will marked within the first 10 minutes of a video conference session. Students will need make sure they are signed in for all classes, from start to finish to receive attendance credit.**

- All students will have attendance time owed for tardiness as it occurs
- Attendance time owed will be assigned in 30 minute increments for every 3rd tardy or multiple thereof (on the 3rd, 6th, 9th, 12th ...)
- Students are expected to proactively make up any attendance time owed and can choose from a menu of options to clear time owed; options include lunch detention, voluntary community service, meeting with a teacher for extra help, Wednesday morning volunteering or attending a restorative group at lunch. When students accumulate attendance time owed without taking the initiative to make up the time, Saturday School or campus service hours will be assigned by the assistant principal.
- School community liaisons will be in communication with families to keep you informed about students' attendance time owed.
- **During distance learning, attendance and truancy issues will be handled by administration and the school district. This may include parent conferences, home visits or wellness checks, or referral to alternative education.**

Truancy

Truancy is an absence from school without a legal excuse. **Education Code 48262** states that any pupil who has been absent without a valid excuse and/or tardy for 30 minutes or more is considered a truant.

- Your student is expected to be in every class on time.
- Period truanancies will not be tolerated.
- Continued truanancies may result in any of the following: referral to the office, parent conferences, referral to the TRC, community services work hours, in-house suspension, transfer to an alternative educational program, meet with the District Attorney (D.A.) and/or may be referred to the Student Attendance Review Board (SARB) hearing.
- 18 year old truant students will be dis-enrolled and referred to Adult Education

Make-up work

It is your student’s responsibility to request make-up work from their teachers immediately upon returning from an absence (excused). He/she should also make arrangements with the teacher to schedule time to make-up any quizzes or tests missed due to an absence. Teachers are not responsible for providing students make-up work when the recorded absence reflects unexcused or truant. Your student will have an adequate amount of time to complete make-up work. Generally he/she is entitled to the same amount of time to complete make-up work as they were absent. For example; Two days of absence would provide the student two days to make-up any missed assignments. Long term projects defined at least two weeks will not have extended deadlines.

PACK: Husky School-Wide Behavior Expectations

Proper behavior and respect for one another are very important to the everyday functioning at Hare Continuation High School. Your student is required to follow State, Garden Grove Unified School District and Hare administrative and faculty rules. A workable discipline policy requires basic guidelines but allows flexibility in application in order to meet individual student/school needs and situations.

As young adults, Hare students are expected to behave appropriately. Hare High School supports positive behavior, intervention and supports (PBIS) as a part of our day to day program. This means that we explicitly teach pro-social skills to students, reinforce students for the good they are doing and intervene providing support when students struggle. If a Hare student is unable to maintain appropriate behavior, interventions and consequences will be assigned.

Hare HS Rewards

At Hare HS, we want to honor the good that is happening all around us from the classroom to the quad. We want to acknowledge when students are meeting school-wide and classroom expectations. We do this in a variety of ways and some are noted below:

Good News Phone Call

Good news phone calls are positive calls made by teachers or administration to let you know what your son or daughter is doing well at Hare High School.

PACK Points

At Hare, positive behavior is rewarded with PACK Points. PACK Points are rewards for unsolicited social behavior. Students earn points by demonstrating the PACK behaviors in our school wide matrices – participating in class, taking care of their surroundings, or caring for a fellow classmate. Students are awarded points for the positive behaviors we see and all staff can award points. Students in turn use their points to earn a variety of rewards from tech gear to Husky spirit wear.

Top Dawg

Top Dawg is Hare High School's student of the week. The student of the week is a Husky that has demonstrated all the PACK characteristics: perseverance, attentiveness, cooperation, and kindness. Each teacher nominates a student weekly and names are drawn during our live YouTube Top Dawg weekly production. All nominees receive PACK Points just for getting nominated and the Top Dawg winner receives a gift card for food or music, a certificate and a photo taken for the office.

Student of the Quarter

Student of the quarter honors standout students that have maintained and honored school-wide expectations for the entire quarter. Student of the quarter honorees have demonstrated all the PACK characteristics: perseverance, attentiveness, cooperation, and kindness and each teacher nominates one stand-out student per quarter. Honorees are invited to a special lunch with faculty and staff.

Specific Discipline Incidences

1. **Fighting/intimidation/harassment or bullying/digital harassment or bullying will not be tolerated.** Possible consequences are possible suspension (1-5) days, parent contact, parent conference, a referral to anger management classes, possible involvement with GGPD or immediate reassignment to alternative education.
2. **Electronic/digital device/cell phones** are allowed during passing periods and lunch. Cell phones and headphones are expected to be put away during class time; this is a school-wide expectation. Teachers may exercise discretion and progressive discipline to warn students as needed.
 - Violations will result in the student's phone being turned in to the assistant principal by school staff. On a first offense, a student may pick up their phone at the end of the day. Students refusing to turn over devices will be escorted from class by campus security to meet with administration.
 - On a second offense, the phone will only be returned to a parent or guardian after a conference and contract are signed by both student and parent. The contract outlines that a third offense will result in the phone being held for the remainder of the school year at which time it will be returned to the family.
3. **Possession or use of tobacco products** on the way to school, at school or on the way home will result in the following (progressive order):
 - Suspension
 - Longer suspension and conference for repeated offenses
 - Possible assignment to cessation class
4. **Drugs/Alcohol/Weapons:** Students in possession of any of these items on the way to school, on campus, and/or on the way home from school are subject to:
 - Suspension, expulsion, arrest according to education and penal codes

Hare Interventions and Progressive Discipline

1. Classroom: teachers will follow Hare HS Classroom matrix and follow progressive steps outlined in their syllabus

4. A parent conference and behavior contract will be signed with continued or escalating behavior.
5. A parent conference will be held with administration for excessive defiant behavior, disregard for school-wide expectations or failure to meet behavior contract expectations and to determine school placement.

GRADUATION REQUIREMENTS

Hare High School holds commencement exercises for graduating students. Graduates are urged to participate. In May, a letter is given to all graduating students concerning graduation and related activities. At the beginning of the 4th quarter, all senior credits/grades are evaluated and students are advised of their graduation status. Parents of potential non-graduates are notified by certified mail. **If your student does not complete all requirements for graduation, he/she may not participate in the ceremony and will be counseled as to alternative options. The graduation ceremony is a privilege, not a right. If your student has multiple suspensions and/or referrals he/she may not be able to participate in the graduation ceremony. The last week of school any senior suspended will not be allowed to participate in the graduation ceremony. If your student fails 2 or more classes during 4th quarter (including electives), this could possibly affect their opportunity to participate in graduation ceremony.**

Full-time status at Hare High School is considered to be a student enrolled in 5 academic/elective classes.

Off-site CTE Hare students are considered guests on other GGUSD campuses. If enrolled in CTE they are allowed to be on campus 5 minutes prior to class and 5 minutes after class is over. If your student violates this policy after being warned, he/she could be dropped from that CTE class and also prohibited from returning onto that campus.

ALTERNATIVE EDUCATIONAL PROGRAMS

At times, students may need to be placed in alternative programs such as:

Adult Education

If a student is at least 16 years of age and has a full-time job, the student *may* qualify to attend adult education and continue to work toward a diploma. Any student age 18 or older has the option to attend adult education to pursue their high school diploma.

Orange County Department of Education/ACCESS

California High School Proficiency Exam (CHSPE)

The California High School Proficiency Examination (CHSPE) is a program established by California law ([Education Code Section 48412](#)). If eligible to take the test, your student can earn the legal equivalent of a high school diploma by passing the CHSPE. The CHSPE consists of two sections: an English-language Arts section and a Mathematics section. If he/she passes both sections of the CHSPE, the California State Board of Education will award to your student a Certificate of Proficiency, which by state law is equivalent to a high school diploma (although not equivalent to completing all coursework required for regular graduation from high school).

Your student may take the CHSPE *only if*, on the test date, you:

- are at least 16 years old, *or*
- have been enrolled in the tenth grade for one academic year or longer, *or*
- will complete one academic year of enrollment in the tenth grade at the end of the semester during which the next regular administration will be conducted. (Regular administrations are the fall and spring administration)

For further information about the CHSPE visit: <http://www.chspe.net/about/>

The student must be in good standing in both academics (no F's and GPA must be a 2.0 or higher) and attendance (90% or better) to meet the initial approval requirements and receive an administrator's signature to attend the proposed event. Attendance percentage is calculated based on infractions that include period trancies and period tardies.

Textbooks

Your student is responsible for all textbooks assigned to him/her. Any lost or damaged textbook will result in a fine.
