

First, let us welcome those of you that are new to Hare High School. Starting the year at a new school is sometimes difficult, but we are sure you will come to really enjoy the welcoming environment and experience that are unique to our school. This year, we begin the school year in a way that has never been done before. Hopefully, we will be back in the classroom in just a couple of months! Until then, like the rest of California, and much of the nation, we will be together in a virtual classroom. Please know that we have tried, and will continue to try, to make your 1st semester PE class as smooth and streamlined as possible. Everything you need for our class can be found on **Google Classroom**. You might need to visit other sites for videos or activities, but any and all links will be posted in Google Classroom.

About your teachers: Mrs. Anderson and myself, Mrs. Bryan are your teachers for this course. We are what the district refers to as a job share. Simply, the two of us share one teaching job. Both Mrs. Anderson and I have young children, so a job share allows us the opportunity to pursue our love of teaching, while still getting a good amount of time at home with our young ones. We have been working together in a job share for 13 years! Typically, Mrs. Anderson teaches on Mondays and Tuesdays. You will see me, Mrs. Bryan on Thursdays and Fridays. We alternate Wednesdays. Occasionally, there is need for us to switch our days. Mrs. Anderson and I do all of our lesson planning and grading together, and we communicate in great detail at least once a day, so either one of us can answer your questions/address your concerns. **For simplicity, we ask that you email BOTH of us when emailing questions/thoughts/concerns, so that we are both in the loop.**

What to expect in this virtual class: In these ever-changing times, it is more important than ever to have a routine and have some idea of what to expect. There are a few things you can expect on a regular basis in our class.

1. Daily check-ins (on the days we have class)
2. Daily movement/activity
3. Weekly mindfulness/meditation
4. Live interaction/class
5. Grace and flexibility (we know these are difficult times and that many of you have responsibilities outside of school)
6. Accountability (although we allow for flexibility, you will still need to **EARN** your grade and credits)
7. Attendance to be taken every class period
