School-Parent Compact

It is important that families and schools work together to help students achieve high academic standards. Through a process that included teachers, families, students, and community representatives, the following are agreed upon roles and responsibilities that we as partners will carry out to support student success in school.

Hare High School and the parents agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the State's high standards.
